EXPERIENCE

DevNexus Solutions   May 2025 – Present
Software Developer (Frontend)   *India*
- Led frontend engineering for multiple **client-facing and internal platforms**, owning architecture, performance, and SEO strategy end-to-end
- Built scalable applications using **Next.js (App Router), React, SSR, and modular component systems**
- Improved **Core Web Vitals (LCP, CLS, INP)** through image optimization, lazy loading, and code splitting
- Implemented **SEO best practices**, server-side rendering, and metadata strategies to improve organic discoverability
- Delivered production-ready dashboards and SaaS tools with **API-driven workflows, reusable UI components, and responsive layouts**

CARS24   Sept. 2024 – May 2025
Software Developer   *Gurugram, India*
- Developed and maintained multiple internal and external web applications, including **Driving School, Dealer Microsites, and Townhall Updates**, improving operational efficiency and user engagement
- Independently built and owned content-driven platforms using **Next.js App Router, dynamic routing, middleware, and React hooks**
- Implemented **SSO authentication, REST API integrations, CMS-driven content flows**, and reusable UI components
- Handled **global error handling, not-found routes**, deployment workflows, and production bug fixes
- Collaborated closely with **Marketing and internal stakeholders** to ship scalable, content-focused features

AlmondAI / Abhay Technos   Jul. 2024 – Sept. 2024
Frontend Developer Intern   *Gurugram, India*
- Supported enterprise admin platforms for clients such as HCCB and JIOBP, improving operational data handling

PROJECTS

AsiaGo Travels | *Devnexus Solutions*   Oct. 2025 – Present
- Built a **production-grade travel holiday package platform** focusing on scalability, performance, and real-world booking workflows
- Implemented **Server-Side Rendering (SSR)** and SEO best practices to improve search visibility and initial page load

Culture Website – CARS24   Jul. 2024
- Implemented **SSO login, API integrations, CMS integration**, and reusable UI components
- Used **Next.js App Router, dynamic slugs, middleware, and React hooks** for scalable routing and logic

EDUCATION

Chitkara University   Jun. 2022 – Jun. 2024
Master of Computer Applications (MCA)   *India*

TECHNICAL SKILLS

Frontend Engineering: React.js, Next.js (App Router), JavaScript (ES6+), TypeScript, HTML5, CSS3, SCSS, Tailwind CSS, Kendo UI, Shadcn UI
State Management: Redux Toolkit, Context API, Zustand
Backend & APIs: Node.js, Express.js, RESTful API Design, JWT Authentication, Middleware, MVC Architecture
Web Performance & SEO: Responsive Design, SEO Optimization, Code Splitting, Lazy Loading, Web Vitals
Databases: Basic MySQL, Basic MongoDB
Developer Tools: Git, GitHub, Postman, Google Analytics

CERTIFICATES & TRAINING

DSA to Development Course   2024 – Present
GeeksforGeeks
